The deadline to submit this form to the main office April 15, 2025.

The deadline to request schedule changes is May 23, 2025.

It is important that you choose all your classes carefully and wisely. Every effort is made to have your first choice honored, but this is not always possible. Academy courses are part of a set curriculum and are not interchangeable between strands. Please note that some courses may incur additional fees for consumable materials and other costs. Students will receive a fee list at the start of the academic year.

It is the responsibility of students and their parents to ensure that they are on track for graduation. Make an appointment with your counselor to review your credits if you have any questions and/or concerns. Students enrolled in an Advanced Placement/Dual Enrollment course will not be removed once the course has begun. I understand that there will be no changes made to my schedule unless it is necessary due to an academic failure. The administration has the right to make changes in student schedules based on the final development of the school's master schedule and changes in the State Course Code Directory. Students demonstrating unsatisfactory performance on a Florida standardized examination will be enrolled in a required reading class in place of an elective. You may choose an additional Advanced Placement (AP) course as an elective with the necessary teacher recommendation and signature.
