Postsecondary Planning Timeline for Parents and Families

12th Grade

First Quarter

Action Steps

- Review your child's schedule and course history to ensure your child has everything needed for graduation, scholarships, and their postsecondary plan.
- Meet with your child's counselor if you have questions or concerns about your child meeting graduation or postsecondary requirements.
- Review your child's college list with him/her to ensure it is balanced and fits well with your child. Utilize the Scoir Parent Profile to assist with this process.
- Assist with college application preparation as needed, including editing application components, essay proofreading, and deadline monitoring.
- Start gathering important documents including your previous year's tax return to complete FAFSA, which opens October 1st. You will also need to create an FSA ID to be ready to apply with your child and electronically sign the FAFSA.
- Attend a FAFSA workshop for guided assistance.
- Assist your child with completion of the Florida Financial Aid Application (FFAA) used for the Bright Futures Scholarship as well as other state opportunities, which opens October 1st.
- Attend M-DCPS' College Month Virtual Workshop series in October.
- Attend open house and senior parent night events at your child's high school to receive important information about senior year, graduation, and postsecondary planning.
- Assist your child with connecting with disability support services at the postsecondary institution or program in which he/she is enrolling if they have an IEP or 504 plan.

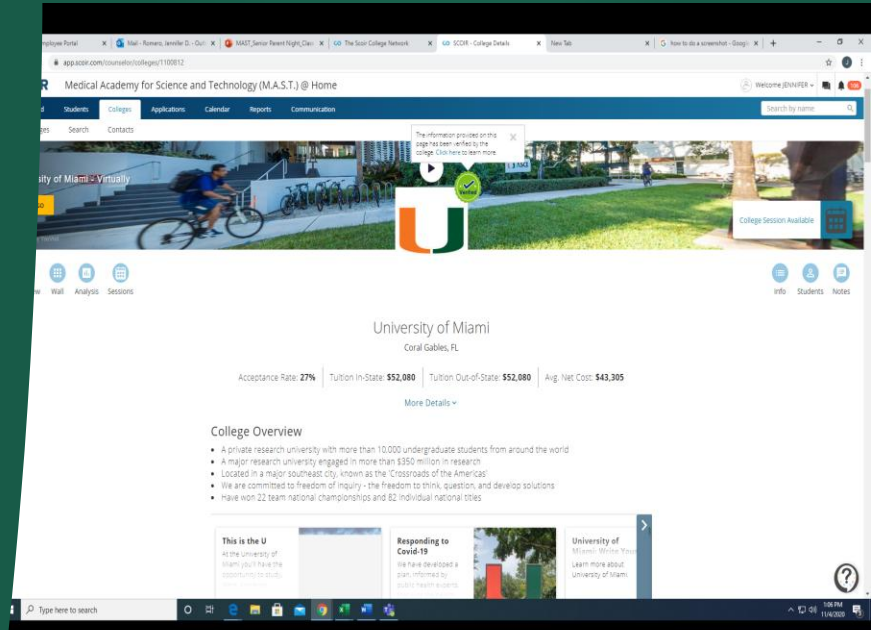
SCOIR

- SCOIR is a one-stop resource that allows students and parents to monitor the progress of the college application process. Transcripts and teacher recommendation forms are uploaded and submitted through this platform.
- Students have been introduced to SCOIR and should already be registered. Each student must also invite a parent to join their SCOIR account.
- SCOIR provides students with an overview of any outstanding documents or requirements for each college. SCOIR and the Common App are also integrated to help streamline the application process. Students must connect their SCOIR and Common App accounts; instructions on how to do this have been sent via email.
- The College tab in SCOIR provides valuable information about universities, including:
- Acceptance rates
- Tuition and estimated costs
- Admission requirements
- Application deadlines
- Other college-specific information
- Important: All parents MUST join their student's SCOIR account by <u>October 2nd.</u>



Meal Benefit Forms

- Parents, please complete the Meal Benefit Form.
- Seniors can receive waivers for SAT/ACT testing if you qualify.
- In addition, seniors can receive College Application fee waivers that will cover college applications fees and deposits.
